

## ToddyPALs Playgroups

**Playgroup** is an effective way to help your child to prepare for entry to kindergarten. English is the medium of instruction which enables the students to acquire the language skills appropriate for their age.

### **Jumpstart** (maximum of 6 students per class)

- ▶ For students who are 1.5 to 2.5 years old.
- ▶ The parent or the caregiver is expected to remain with the student throughout the lesson until the student is comfortable with the **Playgroup** routine.
- ▶ Students will be promoted to **Foundations Playgroup** when they achieve the requirements of the course.

### **Foundations** (maximum of 6 students per class)

- ▶ For students who are 2 years old AND toilet-trained.
- ▶ This course is more structured, so the student should be able to attend class alone while parents or caregivers are welcomed and encouraged to stay with the children during the beginning of the course
- ▶ The student should be able to follow simple classroom routines and able to communicate on a basic level.
- ▶ Promotion to our regular **PAL English** courses when they have attained the necessary skills upon graduation (as assessed by the teacher).

A detailed quarterly progress report will be prepared for students who have enrolled and attended **ToddyPALs Playgroups** for three consecutive months.
